## CONTENIDO

VOLUME 19, No. 12 DECEMBER 2011

### CONTENTS

- 99 ***Bitcoin's Rise and Fall.***  
The story of the virtual currency you can actually spend — if it doesn't get stolen first.  
*Benjamin Wallace.*
- 114 ***The Art Machine.***  
The startup Art.sy has developed an art “genome” that it says will predict what paintings you'll like.
- 126 ***The Pest.***  
Meet Christopher Soghoian. He likes to find security flaws. Then he likes to shame big organizations into fixing them.  
*Bill Donahue.*
- 137 ***Wish List.***  
Our fifth annual gift guide — 86 objects of desire we're asking for this holiday season. With top picks from.  
*Adam Savage, Aubrey Plaza, Theophilus London.*  
*PLUS: A chance to win a \$13,000 Wish List gift bag.*
- 216 ***Heart of Darkness.***  
Filmmaker David Fincher takes angst and gloom and makes it beautiful. Who better to direct *The Girl With the Dragon Tattoo*?  
*Brian Raftery.*
- 224 ***Dave Sanders, (Not So) Special Agent.***  
Fiber-optics exec by day, gun-toting defender of justice by night.  
*Joshua Davis.*
- 230 ***The Revolution According to Steve Jobs.***  
**Steven Levy** reflects on three decades covering the Apple CEO. **George Lucas** on the quest for perfection. **Penn Jillette** on the keynotes. **Stewart Brand** on Jobs' philosophy. **IDEO's David Kelley** on his eye for design. **Chris Anderson** on the magic of 99 cents. And more.
