

NEW SCIENTIST

CONTENIDO

VOLUME 211 No. 2828, SEPTEMBER, 3 2011

CONTENTS

NEWS

- 8 Meat for vegetarians.**
From lab to plate, no animal required.

ON THE COVER

- 34 Your quantum mind.**
The deep connection between quantum theory and thinking.
- 38 Back to the abyss.**
Life 11 kilometres down.
- 42 Little secrets.**
Why small words reveal your personality.

- 8 Meat for vegetarians.**
No animals required.
- 30 Extreme genealogy.**
Rewriting human evolution.

Instant expert: VIH.

Your pull-out guide.

FEATURES

- 42 Little secrets.**
Why small words reveal your personality.

NEWS

- 6 UPFRONT**
Supernova explodes nearby Mutant strain of bird flu emerges. Grey wolf hunt is on.

- 8 THIS WEEK**
Planet-sized diamond. Dolphins and grief. Your brain chemistry came before your body. Antibiotic resistance has an ancient history. Thought-controlled prosthetic arm. Bacterium behind the black death identified.

- 16 INSIGHT**
“Missing Higgs” fears are premature.

- 18 **IN BRIEF**
Coolest stars. An end to radiation sickness? Wrasse and starfish gang up on sea urchins.

TECHNOLOGY

- 21 Ammonia could power clean cars. AI in the classroom. How to hack your hard drive. DNA super-database sparks concern.

APERTURE

- 26 The hunt for elusive particles.

OPINION

- 28 **Openness rules.**
Why scientists should embrace an open-access culture.

- 28 **Beware the lone wolf.**
The distinct psychology of home-grown killers.

- 29 **One minute with...Li Quan.**
Who is sending Chinese tigers to South Africa.

- 30 **Extreme genealogy.**
Svante Pääbo on rewriting human evolution.

- 32 **LETTERS**
Delusions. Quantum potatoes.

FEATURES

- 34 **Your quantum mind.**
(see above left)

- 38 **Back to the abyss.**
Life 11 kilometres down.

- 42 **Little secrets.**
(see left).

INSTANT EXPERT

- HIV.**
Your eight-page collectable guide to the defining epidemic of recent decades.

CULTURELAB

46 **Scribe of the space age.**
The science that inspired the famed author Ray Bradbury.

47 **Reviews.**
The numbers that shape reality. Test for our beautiful genome.

REGULARS

5 **Editorial.**
In vitro meat must taste good.

32 **Enigma**

56 **Feedback**
Ben Hur units.

57 **The Last Word**
Wheel to wheel.

48 **Jobs & Careers.**
