

NEW SCIENTIST

CONTENIDO

VOLUME 211 No. 2832, OCTOBER, 1 2011

CONTENTS

NEWS

- 6** **Speeding neutrinos.**
What the faster-than light measurements really mean.

ON THE COVER

- 34** **Quantum life.**
Biology's entangled foundations.

Instant expert.

Your complete guide to the atomic nucleus.

- 38** **Earth chock.**
Expect more quakes, eruptions and landslides.

- 6** **Speeding neutrinos.**
What the faster-than-light measurements mean.

- 43** **Renegade germs.**
A subversive way to cure infections.

FEATURES

- 38** **Earth shock.**
Expect more eruptions, quakes and landslides.

NEWS

- 6** **THIS WEEK**
How food changes the behavior of your genes. The wide realm of the lost human. Missing planet would solve solar-system puzzle. Epigenetic changes linked to schizophrenia. Should doctors prescribe brain-training games?

9 **FIELD NOTES**

Bye, bye Tevatron, hello neutrinos.

18 **IN BRIEF**

Invisibility cloak goes magnetic. Non-toxic nanorockets. Species shrink in warmer water. Smelly tricks of beetle mating. Inside of nose reveals time of death.

TECHNOLOGY

21 !Phone app improves ageing vision. Online poker by the numbers. Stock trading at light speed. Smartphone controls your home.

APERTURE

26 Vivid autumn in Pomerania.

OPINION

28 **Let's talk about HPV.**

Forget politicking, the vaccine's got live issues, says Charlotte Haug.

29 **One minute with...Ben de Biel.**

The spokesman for Berlin's controversial Pirate party.

30 **Poles apart.**

Roland Huntford on the diaries that reveal the real Scott and Amundsen.

32 **LETTERS**

Space oddity. Grey-sky thinking.

FEATURES

34 **Quantum biology.**

(see above left)

38 **Earth shock.**

(see left).

43 **Cheatobiotics.**

Re-educating superbugs could save lives.

INSTANT EXPERT

The atomic nucleus.

Your eight-page collectable guide to the heart of the atom.

CULTURELAB

BOOK REVIEWS

46 **Future power.**

A very Californian vision.

47 **Medical marvels.**

Great breakthroughs.

48 **What is time?**

Cosmic vs human time.

PLUS: The Hobbit origins of our big brains.

REGULARS

- 5 **Editorial.**
Neutrino announcement has fired the public imagination.
- 33 **Enigma**
- 56 **Feedback**
Synthetic sounds.
- 57 **The Last Word**
Moon blues.
- 50 **Jobs & Careers.**
