

SCIENCE AS CULTURE

CONTENIDO

VOLUME 18, No. 3 SEPTEMBER 2009

‘In recent times, the social effects of scientific discoveries and inventions have been so earth-shaking that a large number of journals has arisen, occupied by the social consequences of the natural sciences. Among the very, best of these journals, in my opinion, is *Science as Culture*, and it has all my blessings.’

—the late Joseph Needham, FRS, FBA

Special Issue: TECHNO-DEATH: TECHNOLOGY, DEATH AND THE CULTURAL IMAGINATION.

Guest Editor: Debra Benita Shaw.

CONTENTS

- 251 **Guest Introduction.**
