

# ***SCIENCE AS CULTURE***

## CONTENIDO

### VOLUME 19, No. 2 JUNE 2010

‘In recent times, the social effects of scientific discoveries and inventions have been so earth-shaking that a large number of journals has arisen, occupied by the social consequences of the natural sciences. Among the very best of these journals, in my opinion, is *Science as Culture*, and it has all my blessings.’

—the late Joseph Needham, FRS, FBA
