- 6 March Animation Planner.... Books We Love Toon Bytes.

FEATURES

- 10 **Arrietty: A Tale Twice Borrowed.**
How Disney brought Studio Ghibli's take on *The Barrowers* to U. S. audiences.
Mercedes Milligan.
- 14 **Saving the Truffula Trees of Life.**
How the team at Illumination Entertainment put a shiny new 3-D polish on Dr. Seuss' cautionary, environmentally themed *The Lorax*.
Ramin Zahed.
- 18 **Coming Soon From Illumination!**
In addition to putting the final touches on *The Lorax*, CEO Chris Meledandri and his busy crew at Illumination are preparing lots of interesting animated features for theatrical release.
- 20 **Bravo, L'Europe!**
Lyon's Cartoon Movie cuts the ribbon for 50 eclectic titles created for both young and mature audiences worldwide next month.
- 22 **A Cartoon Movie Sampler.**
The 411 on four of the completed features presented at Cartoon Movie this year.

Shorts

- 24 **Sunday Afternoon with Patrick.**
Canadian indie Patrick Doyon's subtle short *Dimanche* (Sunday) is a testament to the simple pleasures of 2D animation and well-observed reflections of life.
Ramin Zahed.

- 25 **A Chicken's Tale Told in Three Acts.**
Grant Orchard's clever first short, *A morning Stroll*, combines various animation styles to tell a delightful story with a twist.
Ramin Zahed.

Television

- 26 **The Kinder, Gentler Robots Are Here!**
The Hub's *Transformers Rescue Bots* opens the door to a more peaceful universe for younger fans of the franchise.
- 27 **Meet Mattel's Misfit Monsters.**
After making a big splash online and in toy stores, the pretty ghouls of *Monster High* are ready for their CG close-up on Nickelodeon.
- 28 **Meet the Toy whisperer.**
Disney Junior's multinational project *Doc McStuffins* offers young viewers a charming heroine who helps cure stuffed animals.

Home Entertainment

- 28 **The Spring Thaw: DVD Edition.**
Never fear! *Puss in Boots*, the *Justice League*, those little Ponies and *Underdog* are here to cheer you through the end of winter.
Mercedes Milligan.

VFX

- 30 **An Eye-Popping Homage to Jules Verne.**
How *Journey 2* director Brad Peyton and his vfx team crafted the thrilling visuals of the 3-D fantasy adventure.
Thomas J. McLean.
- 32 **Your Animation and Visual Effects Oscar Ballot!**
Our special hand-picked Oscar ballot, narrowed down to the awards relevant to the animation and visual effects categories.
