

AMERICAN PHOTO

CONTENIDO

VOLUME 23 No. 3, MAY /JUNE 2012

FEATURES

- 28 **Whit The Beatles**
Harry Benson learned a few things traveling with and shooting The Beatles: Don't be in awe. Do Buy Them beer. Watch out for new hit songs. And never get in the way of good pillow fight.
Harry Benson.
- 37 **Top 10 Wedding Photographers**
Shooting weddings in one of the most exhilarating and overwhelming tasks in photography. Meet 10 shooters who are reshaping traditional aesthetics and attitude by getting comfortable in the chaos and shooting from the hip
Aimee Baldrige.
- 54 **If All Else Fails, Make Them Jump**
Neal Preston has snapped more pictures for *People* magazine than any other photographer, so when he sits down with the former photo director of *Us Weekly*, you can predict one thing: It won't be boring.
Brittain Stone.

On the Cover

A classic wedding shot gets an infusion of attitude, thanks to Sergio Lopez.

DEPARTMENTS

Focus

- 13 One to Watch
Scenes of Ice and Fire.
Iceland native and newly minted Parsons' BFA Silja Magg is burning up the New York City fashion world with her signature mix of frigidity and heat.
Franklin Melendez.
