

# AMERICAN PHOTO

## CONTENIDO

VOLUME 24 No. 5, SEPTEMBER/OCTOBER 2013

### FEATURES

- 30 **Creature of the Sea**  
Shooting commercial fishing operations in remote treacherous waters is tough. It can be even tougher when you're one of the fishermen.  
*Corey Arnold.*
- 38 **Fashion's Reigning Auteurs**  
Meet Mert Alas and Marcus Piggott-the style-photography duo that has a kaleidoscopic vision, a taste for pushing limits, and the fashion industry lining up for more.  
*Matthew Ismael Ruiz.*
- 50 **Nature's Mark**  
Digital may have done away with darkroom experiments, but these photographers are reinventing the picture-as-object with techniques and artifacts from the land.  
*Lori Fredrickson.*

### On the Cover

Mert Alas and Marcus Piggott photographed Natalia Vodianova (represented by DNA Model Management) for French *Vogue* March 2012.
