## CONTENIDO

VOLUME 24 No. 12, SEPTEMBER 2011

### REVIEWS

- 24     **Zoom R8.**  
The R Series packs more punch into less space than almost any other computer-recording device out there... and the newest addition in the smallest and handiest yet.  
Reviews by *Mike Metlay*.
- 30     **Universal Audio 4-710d.**  
The twin-Finity preamp times four, with dynamics control, digital interfacing, and much more.  
Review by *Paul Vnuk Jr.*
- 34     **Plug-In Outlet.**  
PSP Audioware N20; Softube Tube-Tech Classic Channel; Tone2 Warmverb; Little Endian SpectrumWorx.  
Review by *Paul Vnuk Jr.* and *Mike Metlay*.
- 40     **Reviewed And Revisited: Spectrasonics Omnisphere 1.5.**  
New features, new sounds, and fantastic new control options (including remote iPad control) enhance this genre-defining virtual synthesizer.  
Review by *Allen Goodman*.
- 42     **¡Zotope Stutter Edit.**  
As much a musical instrument as an effects processor, this fascinating plug.in lets you play DJ-style musical edits from a controller keyboard.  
Review by *Mike Metlay*.
- 44     **Make Room For Your Music.**  
Every song needs a little space — add your own with 2C Audio Breeze, Audio Damage Eos, Valhalla DSP ValhallaRoom, and EASTWEST Quantum Leap Spaces.  
Review by *Mike Metlay*.
- 56     **Once Over !!6 Reviews In Brief.**  
Audix M1280B miniature condenser mic and Micro Boom 24; Earthworks PM40 and PM40T PianoMics.  
Review by *Paul Vnuk Jr.*
- 58     **Recording's Showcase of Sounds.**  
Vienna Symphonic Library Vienna Instruments Pro and Dimension Brass.  
Review by *Gary Eskow*.

## FEATURES

- 12 **Surviving a Triple Music Computer Upgrade, 2011 Style.**  
A new computer, anew OS, and a new DAW, all at once — and the results are spectacular. Here's how to survive (and prosper in ) such a world-shaking set of changes.  
*Jim Stamper.*
- 26 **Managing Large Sample Libraries.**  
When libraries have tens of thousands of samples over tens of Gigabytes, you'd better have a strategy for staying on top of them.  
*Gary Eskow.*
- 62 **It's Your Music — Know Your Rights. Chapter 18: Digital Distribution Issues.**  
The business model for music payment is trying hard to get into the 21<sup>st</sup> Century... here's what you need to know about the new standards and practices out there.  
*Todd Gascon with Bruce Kaphan.*
